MEMORANDUM FOR: Dennis Harman  
Naval Intelligence Command

FROM: [redacted]  
Chief, Intelligence Producers Council

SUBJECT: FY 88 Production Enhancement Review

1. The IPC Staff recently conducted a review of 32 Production Enhancement Initiatives (PEIs) submitted by your organization as well as State, CIA, NSA, Army and the National Intelligence Council. The Staff requested various organizations in the Intelligence Community to evaluate the originality of the proposals, their usefulness to the Community, and the likelihood that the projects could be successfully completed. [redacted]

2. Upon receiving the responses, the IPC Staff reviewed them and selected several PEIs to recommend to the Intelligence Producers Council for FY 88 funding. The criteria for selection are based on guidance from the DCI, which states, in part, that PEIs should "offer new innovative and speculative ways to improve the quality of intelligence production by improving the analytic process." [redacted]

3. Four Navy PEIs were reviewed. The [redacted] [redacted] was subsequently approved by the IPC and transfer of funds to your organization is presently being arranged by the IPC Staff. Please notify the IPC Staff, as soon as possible, to whom the contract has been awarded and at what cost(s). [redacted]

4. A goal of the PEI program is to make the benefits of the projects available to the intelligence production community. Therefore, written progress/status reports will be required at six-month intervals from the date of this memorandum. Please provide these reports in the format provided. [redacted]
